

DIVERSITY, EQUITY AND INCLUSION (DE&I) STATEMENT

Delivering electricity, natural gas and propane to our members takes the commitment of everyone in a diverse, equitable and inclusive environment where we respect, understand and appreciate those we serve and the people around us.

The Energy Cooperative remains committed to providing an environment that is welcoming to all, and where everyone feels included, accepted, seen, heard, and valued. Diversity, equity and inclusion (DE&I) are core to who we are, what we do and how we do it.
