A Co-op Voter:

CO-OPS  **VOTE**
A PROGRAM OF AMERICA'S ELECTRIC COOPERATIVES
WWW.VOTE.COOP

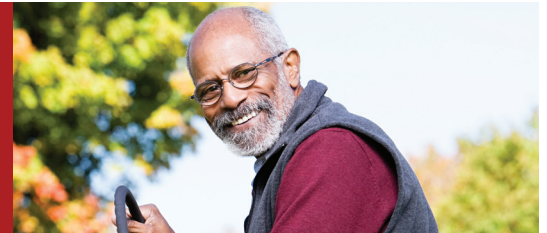

Wants to preserve the way of life in rural America, but not let our future generations be left behind technologically.

Believes in policies that will modernize our nation's energy supply in a way that keeps costs affordable, promotes system reliability, and avoids imposing undue burdens on our energy supply system.

Wants to be an active voice in the community and promote the democratic system of governance for all our nation's institutions, from our co-ops to the halls of Congress.

Will vote for any candidate, regardless of party, who is willing to help ensure that rural Americans have ready access to reliable, affordable energy.
